NOTIFICATION OF DISCHARGE

This is your initial discharge aftercare plan.

You have been seen by the Crisis/Home Treatment Team since 29/1/19 to treat and manage levels of raised anxiety and occasional self-harm thoughts. You were initially treated in P3, where you were supported until discharge to your home address.

You have now been discharged from the Crisis/Home Treatment Team to be supported and followed up by your Care Co-ordinator.

If you have any questions or initial problems after your discharge, please speak to staff on **0121 543 4100**.
